

Baulkham Hills High School P and C

Student Funding Request Assessment Guidelines (2010)

1. The P&C is keen to encourage students to take part in extra-curricular activities, competitions and personal enrichment programs.
2. The subsidy is mainly designed to assist students who require financial assistance to complete or to represent school at Regional, State, National or International level.
3. P&C can provide subsidy up to 20% of the total cost with a maximum amount of \$150 per person per instance.
4. There will be a maximum of 3 applications per person per year.
5. Each applicant must apply by completing the P&C Student Funding Request Form. The form must bear acknowledgement from the applicant's parent / guardian and endorsement from a school representative.
6. All recommendations are subject to the discretion of the executives who will take into considerations, including but not restricted to, the nature of the event, number of applications in the period, how the event will benefit the student and the school in general, and the financial position of P&C.
